Friday	June 11 <sup>th</sup>	9:00 -3:00	All Staff Clean-up day

**Child care Center State Closures:**

During the school year, it is possible Fun-N-Friends Nursery School may be forced to close down temporarily due to state mandates. If the state issues another executive order for "child care centers" to shut down due to the coronavirus, then we will be forced to close. We will not charge tuition during the next month(s) of closure. Tuition payments would "freeze" until child care centers are permitted to reopen again. School will then resume in following the school calendar when the State closure is lifted. **Our Honeywell alert system will notify you of INCLEMENT WEATHER AND EMERGENCY CLOSINGS.**
