

## Fall Registration for September & Current School Year!

Welcome!

All registration papers are now available for the **2021 -2022** school year. The school calendar will be set at a later date. Our school year begins in September and ends the first week in June. As always, the annual tuition will be split into 10 equal monthly installments along with a registration/security fee.

### At the time of registration please submit:

Your child's application

- \$75 registration fee (includes a school T-shirt and Tote bag)
- \$10 Security Fee (keyfob entry system & Honeywell Instant Alert system)
- \$last installment paid up front for the class you are choosing

Please note that a Universal health form, current immunizations and flu shot are required before your child can attend our school. These forms must be signed and stamped by your child's Doctor.

Open House and registration open to the public begins on January 22<sup>nd</sup> 2021 and is rolling throughout the spring and summer. We are also accepting registrations for the current school year in some of our classes.

Sincerely,
